\* These courses offer certification testing that requires a separate test fee that is not paid for by the 2% Fire Local Assistance Fund. Courses in **RED** are IFSAC accredited certifications.

## Customized Training Courses (Fee)

Western Technical College also offers classes that are customized to an organization's needs. These courses are coordinated through Western's Business and Industry Services division. All of the above courses, as well as many others, can be customized to fit your organization's needs, personnel, locations, and availability. Contact Sparta Public Safety at (608) 789-4747 for information on the availability of specific courses.
