

**NOTE: Due to COVID-19, all sections of Developmental Biology and Developmental Chemistry will be ONLINE Fall 2020.** Learn more about Western's online learning resources at [www.westerntc.edu/getready](http://www.westerntc.edu/getready).

**ON-LINE registration for Developmental Biology and Developmental Chemistry begins April 13.**

**Important:** If you are not sure if you've met the prerequisites for these classes or have difficulty registering, please contact the Welcome Center at 785-9553.

**Registration Fee for WI & MN residents:** \$4.50/class (payable through MyWestern)

**Prerequisites must be met prior to start of class.**
