New Agreement Revised Agreement

Effective Date: 01/01/2024 **Next Review Date:** 01/01/2026

This Agreement is entered into between **Wisconsin Technical College System** (hereinafter sending institution), and **The College of St. Scholastica** (hereinafter receiving institution). The purpose of this agreement is to facilitate credit transfer and provide a smooth transition from one related degree program to another. This Agreement and any amendments and supplements, shall be interpreted pursuant to the laws of the state of the receiving institution.

The sending institution has established degrees in the following programs (hereinafter sending programs), and the receiving institution has established a Bachelor of Science in Health Informatics and Information Management (hereinafter receiving program).

It is mutually agreed:

Admission and Graduation Requirements

- a) The receiving institution's admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement.
- b) Students must fulfill the graduation requirements at both institutions.
- c) Students must complete the entire sending program and meet the receiving institution's admission requirements for the agreement to apply.

d) Each institution shall determine the modality for delivering its courses, whether seated, online, or blended.

Transfer of Credits

The receiving institution will accept credits as noted in the appended degree plan tables. A grade of C- or higher is required for the transfer of credits. A grade of C or higher is required for courses in the Health Informatics and Information Management major.

Implementation and Review

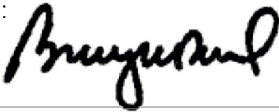

The Chief Academic Officers or designees of the parties to this agreement will implement the Terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.

The sending and receiving institution shall work with students to resolve any transfer questions should changes to programs occur while the agreement is in effect.

When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode course waivers and substitutions.

Effective Date and Duration

This Articulation Agreement is effective on January 1, 2024 and shall remain in effect for two years unless terminated or amended by either party with 30 days prior written notice. This agreement supersedes any previous articulation agreements that were in effect for the sending and receiving programs.
